

## Balanced Body on the Road

### Upcoming events for 2005 - 2006

Visit Balanced Body at one of the many shows and events we will be attending during the remainder of 2005 and the beginning of 2006. At most of these events you'll be able to test out our new equipment or partake in a group Allegro Reformer session with some of the leading instructors in the industry. You can also purchase any piece of Balanced Body equipment featured on the show floor, and almost all equipment is also available for pre-purchase.

If you happen to be in the area, come on by and say hi!
