

## Balanced Body on the Road

### Upcoming events for 2006

Visit Balanced Body at one of the many shows and events we will attend during the first half of 2006. At most of these events you can test our new equipment or partake of a group Allegro Reformer<sup>®</sup> session with some of the leading instructors in the industry. You can also purchase any piece of Balanced Body equipment featured on the show floor, and almost all equipment is also available to pre-purchase.

If you're in the area, come by and say hi!
