

Balanced Body on the Road Upcoming events for 2006

Visit Balanced Body at one of the shows and events we will attend this summer. At most of these events you can test our new equipment, or partake in a group Allegro Reformer session with some of the leading instructors in the industry.

You can also purchase any piece of Balanced Body equipment featured on the show floor, either before or during the event. For a list of what is available at each event, please see the Events Calendar at www.pilates.com.

If you happen to be in the area, come on by and say hi!
